*1 Note: "Where the hell is your hundred-thousandth bearer to count!

Million!*
One... ten hundred, thousand... ten thou-sand...
Mom... the day has finally come...
You see yesterday I finally saved 1 million yen
With this money I can take care of Akane I can rent an apartment, pay for school fees and buy her some new clothes too!
I DID IT!!

At a time like this I should sing "Little Sister" right?
じーん
Akane!
Onii-san!!
Come! Come to your big brother's chest!
Ah ah! Onii-san!
Akane! I'm here to pick you up! I'm your older brother!
ムギュ!
Ed note: Little sister is a song. Check the credits page for more info.
公立 第三高等学
You got it pretty quickly, Akane.
The one million you put in the principal's office, did you steal it from somewhere?
I'm going, Mom!
Amamiya Shinnpei will bring his sister Akane back home!
ピリピリ

I didn't steal it!
Oi, you still dare to lie!?
I'm not lying, you asshole!
No parents, both poor and arrogant..
The whole school would say you stole it.
This is a perfect opportunity to expel you.
Things are like this Amamiya... whether you did it or not, the circumstances for you are very unfavorable...
Nobody would believe what you say.

If you were to be expelled... your late mother would definitely be very sad!
Ku ku ku ...
...
All your school fees were paid by your mother who worked her fingers to the bone, right?
Whether or not you're expelled is up to me... you know that right?
To expel...
or...

Is anyone home?
Aunty it's Shinnpei!
パーマ
ローズ
COMING!
OH, IT'S SHINNPEI! WHAT'S WRONG?
Aunty! Today I've come to sincerely discuss something with you!
DO YOU MEAN "SINCERELY"?
SHIN-CHAN... YOU REALLY ARE AMAZING.
Akane... can I take her back?
YOU CAN... TAKE HER BACK!
THAT'S RIGHT, AT THAT TIME YOU WERE STILL A MIDDLE SCHOOL STUDENT! YOU SAY YOU WILL PROTECT HER.
Yes! 3 years ago I said once I save 1 million, I'll definitely get her That has been my goal all along
SO YOU ARE HERE TO TAKE AKANE BACK..

Aunty
Then..
I'm off to Akane's school to fetch her
NOPE, THAT'S NEVER HAPPENED
どて!
WE'RE VERY POOR... AKANE HAS HAD TO GO THROUGH A LOT OF HARDSHIPS. BUT SHE'S A GOOD PERSON
Is that so... she must always be telling about wanting to see me giving Aunty so much trouble
Yes I kinda know
OH... IS THAT SO? CAN YOU FIND THE PLACE?
Akane, wait for me, you'll be seeing your brother soon!
ジャー!
HEY!
YOU'RE FINALLY UP?
WHO WAS THAT BOY JUST NOW?
ヒック

Why don't you be my woman?
What kind of look is that?!

You're quite rebellious, eh!? Even if you don't want to, I want to hear you say "yes"!
……
ゴッ!!
You vulgar bitch! Hurry up and say "yes!" Say you like me!
Hurry and say you'll be my woman!
Say it! Say it!
Oi, you wanna kill her? Stop it!
……

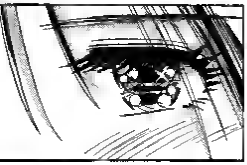
SENSEI -

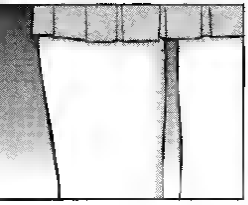
Waa! Akane!
Long time no see!
SOME-ONE'S LOOK-ING FOR YOU
HEY!
HA HA HA
Akane what are you shy about! Ahaha.. sensei, I'm so sorry. I.. I'm Amamiya Akane's older brother My name is Amamiya Shinnpei
HA HA HA!
I'm her sensei.
Come Akane! It's your Onii-san! Call me Onii-san!!
Damn monkey!
どてっ
Onii-san!

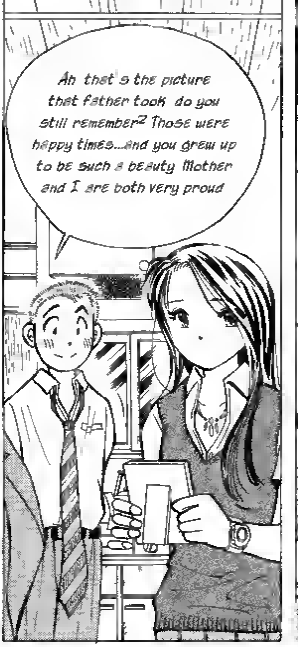
...
See how happy my sister is?
What's this? How can you just decide by yourself?
Did you need something from me?
Eh?
Yes! From today onwards I'm gonna bring my sister home to live with me!
Se-sensei, how is my sister doing in school?
You still dare to say that! Do you have any proof I stole?
Stole something?
Though I'd like to say she's a good student, yesterday she stole something, as her teacher, I've been wracking my brains over how to punish her.
Stole something?
Umph I saw you coming out of the principal's office with my own eyes

After school, what did you sneakily do in the principal's office when nobody was around?
That was... You asked me to go...
I didn't ask you to go, was it some other teacher?
I don't know... someone passed the message to me... any way you asked me to go
ばん!
Here is 1 million! Please forgive everything my sister has done! Please!
Ed note Uh, wut?
I beg of you... please don't expel her!
What crap are you spouting? Don't be so nosy!
Shut up! You don't need to talk!

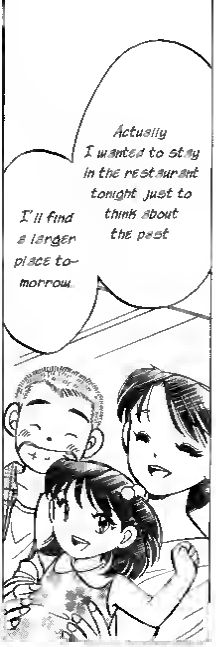
Please!
You fucking ass-hole!
I'll accept it for now.
どむ!
Let go of me! You bastard! Let go!
Come with me!
Though it's dirty and messy. Come on up!





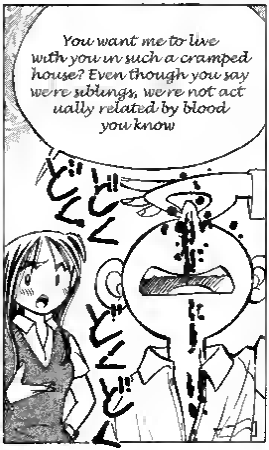


Ah that's the picture that father took do you still remember? Those were happy times...and you grew up to be such a beauty Mother and I are both very proud

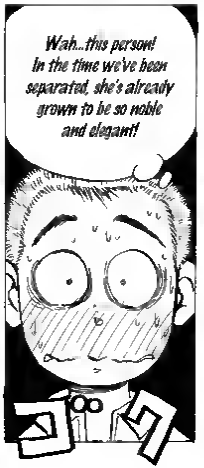


Actually I wanted to stay in the restaurant tonight just to think about the past
I'll find a larger place tomorrow.

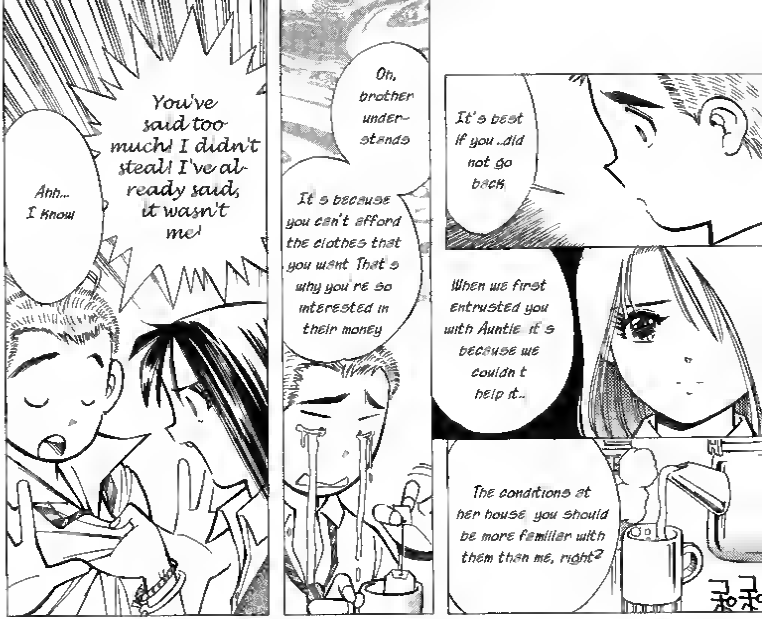
Don't chastise me with your nose bleeding at the same time! I am going back to live with Auntie.
Hey...hey! Don't look down on me even though we are not related by blood, siblings are siblings! Didn't we live together 3 years ago?
ドドドドド



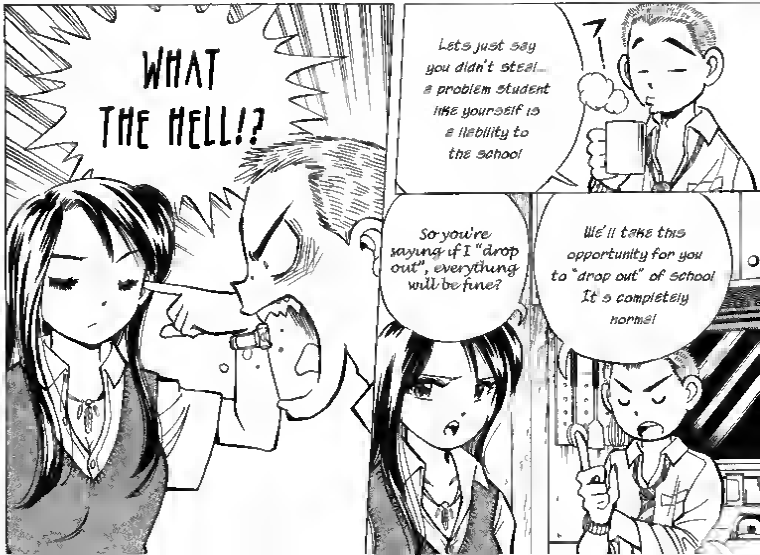
You want me to live with you in such a cramped house? Even though you say we're siblings, we're not actually related by blood you know
どどどどど



Wah...this person! In the time we've been separated, she's already grown to be so noble and elegant!
ゴクリ



You've said too much! I didn't steal! I've already said, it wasn't me!
Ahh... I know
Oh, brother understands
It's because you can't afford the clothes that you want. That's why you're so interested in their money
It's best if you ..did not go back
When we first entrusted you with Auntie it's because we couldn't help it..
The conditions at her house you should be more familiar with them than me, right?



WHAT THE HELL!?
Lets just say you didn't steal... a problem student like yourself is a liability to the school
So you're saying if I "drop out", everything will be fine?
We'll take this opportunity for you to "drop out" of school. It's completely normal

Education is something that even money cannot buy! I only graduated from high school, so I know all about this! Don't say "drop out" without putting some thought into it!
To think that a bit of money could make you want to drop out of school
Don't say these things if you don't know any thing
Akane! Where are you going?
Hey, Akane!
Eh?
You don't know what those people wanted to do to me! What gives you the right to use that tone with me?!? Stupid monkey!
I'm not a monkey I'm your brother
Eh?

ARE YOU... AKANE?
So annoying. that idiot!
HEY, HEY, WANNA HANG OUT WITH US FOR A BIT? LET'S GO PLAY!
AHH, YOU REALLY ARE AKANE! YOU'RE SHIN'S SISTER, RIGHT?
HE WORKS REALLY HARD, JUST SO HE'D BE ABLE TO LIVE WITH HIS SISTER. HE'S WORKING HIS ASS OFF, JUST SO HE CAN SAVE UP A MILLION YEN.
That guy is he working hard?
YOU'RE SO PRETTY! SO MUCH PRETTIER IN PERSON! ♡
NO WONDER SHIN'S SO PROTECTIVE OF YOU.

EVEN IF IT'S 100 YEN HE'D SAVE IT UP FOR HIS SISTER. HE DOESN'T WASTE A SINGLE YEN---
TO SAY NOTHING OF PAYDAY, HE GOES TO THE BANK EVERY DAY,
SHIN MUST BE REALLY HAPPY, RIGHT?
BUT IT'S REALLY AWESOME, YOU GUYS CAN FINALLY LIVE TOGETHER
I'll go get it back.
EH?!?
"Actually I'd wanted to stay in the restaurant tonight
just to reminisce about the past. I'll find a larger place tomorrow"
ガタン!...

WHAT'S WRONG, AKANE?
That old bastard!
RRRRR
Hello it's Shin.. Is this Tetsu?
What!? Akane!?
She still hasn't come home? Dammit, where the hell did Akane go?
どこ…
YEA, I'M FOLLOWING HER RIGHT NOW. SHE'S WALKING PAST THESE HOTELS NEAR MY HOUSE.
YEAH.. NO, I DON'T KNOW WHY.

That little twerp ...
ALTHOUGH , JUST NOW SHE SAID SOMETHING LIKE "I'LL GO GET IT BACK".
GO GET IT BACK!?

Don't worry, he's an idiot who doesn't even know the meaning of "illegal".
If you knew that he's the only relative of Akane-chan, you'd die laughing.
You took his money?
A high school teacher... why would you do something like this?
If some-one catches you..

AKANE!!
I've finally found you.
Excuse me for interrupting
You what the hell are you doing?
What am I doing? Getting Shin's money back
Don't be scared, teacher. I've known you guys are perverts ever since I entered the school.
What are you talking about? You guys stole that money from school, right?
That's not true! That money was my brother's hard-earned money!

What about school then? Dropping out is no problem, right?
Don't try to scare me!
I didn't steal any thing, so why should I drop out?
But, you have to drop out!
You're my scapegoat!
That's right, you didn't steal it! I did!
ガッ!
なんぱ!
!!
MUAHA HAHAHA HAHA!!

Give me back the money!
If you drop out of school, we'll no longer have a teacher-student relationship, just a simple man-woman relationship!
Right, Akane? Hehehe
Stop it! Let me go! Pervert!
Shut up, bitch!
Ugh
Heh...

Hah
Hah
Hah
Hah

Akane!
Teacher... what are you doing to my sister?
Ahh, aren't you Akane's brother? You are just in time!
I found your sister working in a dirty place like this, so I was just about to punish her!

Chch! You guys really are bold. Are you really teachers?
What?
Didn't you say that you took the money just now?
And you wanted to push the responsibility onto her, make her drop out, so you can take all the money for yourself?
You not only blackmailed but you physically threatened your own student. The world is at an end! How scary~
Compared to us...
So what if it's like that, you slut?
Hmph! What bullshit.
はっはっはっは!
Who would society believe? Ahahahahaha...

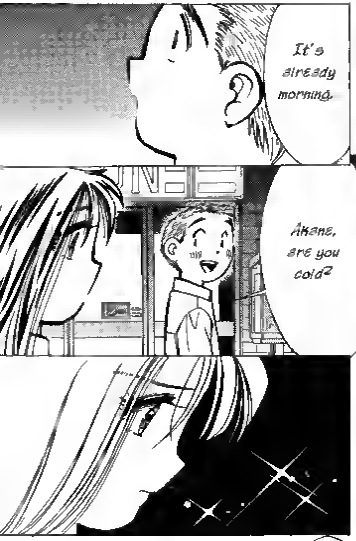
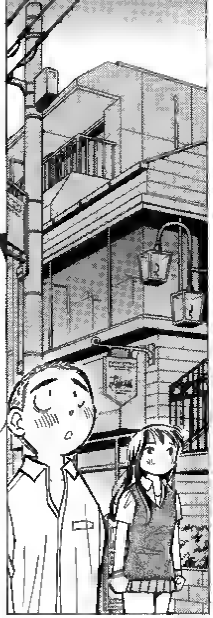
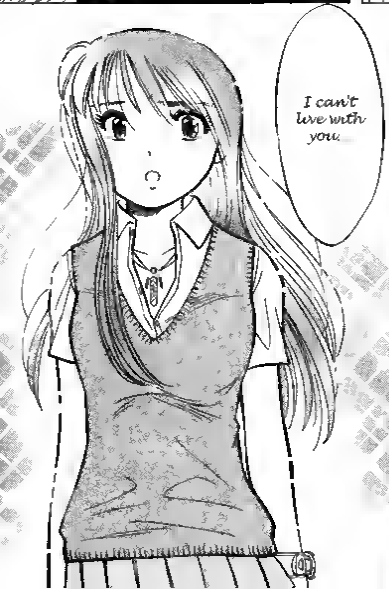
Apologize to Akane!

Akane's not living so that she can be a plaything for perverts like you!
But you! You look down on her, and bully her!
Even though she doesn't have parents, and she's poor...she's trying very hard to live on
Hurry up and apologize!
Apologize to Akane right now...



It's already morning.
Akane, are you cold?





I can't live with you.

Brother
From now on you'll be living with big brother! It'll be awesome!
Don't worry! I'll take care of the school stuff

I have to tell her
Akane...
For three years, she's brought me up at her own expense.
Eh?
Auntie, it's okay if it's just with her, right?
Don't do it!
Hey, Akane!
that I'm sorry
What if I do? Won't I be sad too?

Akane!!
I'm back.
